## Battlefield 2 Demo Download Mac

Battlefield 2 features immense, richly detailed, destructible environments, from city streets to remote forests, in some of the most notorious hot spots around the world.. Armed with the latest modern weaponry, players can take control of any of the game's 30+ vehicles to engage in major conflicts with over 100 players in some of the largest online battles on the PC.. In Battlefield 2, players chose to fight for one of three military superpowers: the United States, the Chinese, or the newly formed Middle East Coalition.. In Battlefield 2, players will choose to fight for one of three military superpowers: the United States, China, or the newly formed Middle East Coalition.. Enhanced team play features allow players to enter the action on the front lines as part of a formal squad, or work behind the scenes in Commander Mode to direct the strategic assaults of their teammates.. Each map in Battlefield 2 adjusts in scale to support the number of players in the world, providing the ideal vehicle-to-player ratio and an optimized game play experience.. Download Battlefield 2: Demo Includes the Gulf of Oman map, which you can play singleplayer with bots or online with 16 or 32 people.
